## Bresnahan and Reiss (1991)

Carlos T. Estrada Arzamendi

March 23, 2024

### **1**

Reproduce the results for the tire dealers reported in Table 4 of the paper. Note that Bresnahan and Reiss (1991) estimate the model imposing the constraints  $\alpha_n \geq 0$  and  $\gamma_n \geq 0$ . You should impose the same constraints.
